Survivor Outreach Services Support Coordinators serve as the main Survivor advocate. They facilitate support groups, provide life skills education, assist Survivors in managing applicable life-long benefit transition milestones, connect Survivors with counseling resources, and represent the command in contacts with community organizations. Survivor Outreach Services Financial Counselors help Survivors by assisting with budget counseling, debt management, education, and higher education needs. SOS staff members are required to make periodic communication with Survivors—at a minimum of one contact annually—to conduct well-being checks and milestone management reviews or determine the level of support Survivors desire. Information gathered in these meetings is input into the SOS application collection instrument by SOS staff members. No customers have access to the collection instrument.
